

AHS 55th REUNION

Greetings fellow Moors,

*“Try to remember the kind of September
When life was slow and oh so mellow.
Try to remember the kind of September
When you were young and a callow fellow.
Try to remember, and if you remember
Then follow – follow.”*

*Deep in December it's nice to remember
Without a hurt the heart is hollow.
Deep in December it's nice to remember
The fire of September that made us mellow.
Deep in December our hearts should remember
And follow – follow.”*

~ The Brothers Four – 1965

Five years ago, we followed one another to the Balboa Bay Club for our 50th AHS Reunion. I believe some of you thought that might be my last reunion as chairman of a committee that spanned 50 years. The committee graciously awarded me with a crystal plaque and gave my wife Kathy a lovely bouquet of flowers. I wondered who might be “the last Moor standing”?

*“Just when I thought I was out, they pull me back in”
~ Al Pacino, Godfather III 1990*

Like most of you in 2014 I celebrated my 70th birthday. With a get together of almost 150 family and friends, we shared a day in what has been “A Wonderful Life”. Little did I know that six months later I would be confronted with the most overwhelming medical challenge of my life. After months of treatment I found myself treasuring each new day of life. I received medical, emotional, psychological and spiritual support from many of you.

Some of you may be asking, “Why have a reunion five years after the 50th?” My answer is, our past is linked to one another forever so let's share it for as long and as often as we can. So, the particulars for our 55th reunion are on the following pages.
